2. What type of emergency communications will you use to contact park staff? Who will be the primary on-site contact person(s) for the event and how may they be contacted in the event of an emergency?

3. If your parking needs exceed park capacity, describe any plans for off-site parking, parking control and shuttle service.

THIS PERMIT IS NOT VALID UNTIL SIGNED BY THE APPLICANT AND APPROVED BY THE COUNTY

I, the Special Event Applicant, hereby certify that I have read and agree to abide by the policies and regulations governing my Special Event, as set forth by the County of Tulare, and I understand that failure to comply may result in the cancellation of my Special Event Permit. The County of Tulare has the authority to approve applications for Special Events at County Parks. Special Event Permits are not confirmed until the application has been approved by an authorized agent of the County of Tulare. Permits are immediately revocable at any time if false statements were made in the Special Event Permit Application. Fees will be retained in the event that the permit is terminated due to violation of any County of Tulare ordinance, rule or regulation, or the falsification of the application. I certify that the information that I have provided on this application is true to the best of my knowledge.

In consideration for the issuance of a Special Event Permit I agree, as a duly authorized representative of the group or organization sponsoring the requested Special Event, to the furthest extent allowed by law to hold harmless and defend the County of Tulare and each of its officers, employees, volunteers and independent agents (Collectively referred to as the "County") from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort, or strict liability) incurred by the County, the applicant, or any other person, and from any and all claims, demands, and actions in either law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of the Special Event, and will indemnify the County from any claim, damage, demand, liability, loss, cost or expense, for any damage whatsoever, including but not limited to death or injury to any person or injury to any property, resulting from any misconduct or negligent acts by the individual, group or organization, or of any of its officers, employees or agents with respect to said Special Event, except such damage as is caused by the sole negligence of the County of Tulare or any of its officers, employees, volunteers or independent agents. The County may, at its election, conduct the defense or participate in the defense of any claim related in any way to this indemnification. Should the County elect to defend and participate in its own defense, then the Applicant shall pay all reasonable costs related thereto, including reasonable attorney fees and costs.

The Applicant shall conduct all defense at his/her/its sole cost and expense. Insurance obtained and/or maintained by the Applicant shall not be deemed to release or diminish the liability of the Applicant. The duty to indemnify the County shall apply to all claims regardless of any applicable insurance policies. The duty to defend is completely independent of and separate from the duty to indemnify, and exists regardless of Applicant's liability. Any insurance policy limits do not act as a limitation upon the amount or extent of defense or indemnification of the County required of the Applicant by the Permit. Approval and/or purchase of any insurance contracts or policies will not relieve the Applicant from liability, or limit their liability.

I certify that the information that I have provided on this application is true to the best of my knowledge and that I/we will abide by the terms of this Permit.
